

### SPECIAL CITIZENSHIP RIGHTS.

January 4th is the Last Day for Application To Be Made.

The Minister of the Interior is receiving numerous applications for special rights of citizenship granted under Section 7, Article 17, of the Constitution, which reads: Any person not a Hawaiian citizen, who took active part or otherwise rendered substantial service in the formation of and has since supported the Provisional Government of Hawaii, who shall within six months from the promulgation of this Constitution procure from the Minister of the Interior a certificate of such service as herein set forth, and who shall take an oath to support this Constitution and the laws of the Republic so long as he shall remain domiciled in the Republic, shall be entitled to all the privileges of citizenship without thereby prejudicing his native citizenship or allegiance.

Friday, January 4th, is the last day of grace for those desiring to come into the fold.

### HAWAII'S FOURTH OF JULY.

Will it or Will it Not Be Celebrated This Year?

The Republic of Hawaii's Fourth of July is the 17th of the present month. It falls on a Thursday this year. Thus far no steps have been taken to observe the day as it should be, and there is some talk of a committee taking the matter in hand.

It would take but a few days at most to prepare a programme. It has been suggested that a parade could be held in the morning in which the military and the fire department could take part. The fire boys would not like anything better than to decorate their machines and then walk proudly behind them.

For the afternoon literary exercises at Independence Park would be the proper thing. Who is to take the matter in hand? Don't all speak at once. Archie Gillfillan and Andrew Brown please write.

### NEW HOTEL STEWARD.

Goodchild of the Steamer China Coming to Honolulu.

On the return of the steamer China Steward Goodchild of that steamer will assume the duties of steward at the Hawaiian Hotel. Mr. Goodchild will bring with him two Japanese cooks direct from Japan. The arrangements for Mr. Goodchild to come to this country were made by Col. Macfarlane some months ago while in San Francisco. During his absence Mr. Chapman had been engaged to fill the vacancy then existing. He will retire on the arrival of Mr. Goodchild. Col. Macfarlane has only words of praise for Mr. Chapman who is also very popular with the guests.

### Wants to be Senator.

The politicians are trying to guess how far the ambition of John D. Spreckels reaches. It is now deemed a certainty that he will go to Sacramento this winter in opposition to both Perkins and De Young, says a late Examiner. He will have a candidate for the Senatorship in Millionaire Phillips of San Luis Obispo, but some people harbor the idea that Phillips is to be simply a dummy and that Spreckels himself desires to be a United States Senator.

### The World's Largest Fleets.

The British India Steam Navigation Company possess the largest fleet in the world. It numbers 102 vessels, representing a gross tonnage of 257,285. The Peninsular and Oriental Steam Navigation Company come next with 83 vessels, totalling 221,239 gross tons; and Thomas Wilson, Sons & Co., of Hull, third, with 83 vessels, having a gross tonnage of 94,186.

### A RARE OPPORTUNITY

FOR INVESTMENT.

It is proposed to place the Ostrich Farm of the late Dr. Trousseau on the market in January or February next. This farm is thoroughly equipped and now has thirty-four healthy birds on same, including the famous male ostrich Jumbo and Jno. L. Sullivan.

We believe that it can be demonstrated that this enterprise, new to these islands, but of long standing in Africa, New Zealand and California, can be now carried on at a profit as the experimental stage has been safely passed.

Mr. A. P. Jackson, the general manager can always be found in attendance at the grounds.

We have on hand a large number of prime feathers in assorted colors from the last plucking which are easily worth \$50 per pound and upwards according to quality. The next plucking takes place in January next. Prospectuses, information concerning the feather market and all necessary data will be furnished.

All reliable persons desirous of visiting the grounds can do so by first obtaining permits from the undersigned.
